Dear Michael:

On behalf of the Canadian Cancer Society - New Brunswick Division, I wish to thank you for your important contribution to Camp Liberty 1996.

Your presentation during Coping Session was greatly appreciated by the young people who could truly relate to you and benefit from your experience. I also found your approach very refreshing, motivating and filled with hope.

As you may be aware, the Canadian Cancer Society's double mandate is to help eradicate cancer and enhance the quality of life of people living with cancer.

Together we worked toward these goals, and together, we made a difference in the lives of these children living with cancer.

I am looking forward to the opportunity of meeting you in the future.

Once again, thank you.

Yours Truly,

France Durand
