Dear Michael:

On behalf of the volunteers in Quinte-Thousand Islands District, I would like to extend a sincere thank you for being the guest speaker at our Fundraising/Communications Workshop "Look What Daffodils Do" held on February 29, 1992.

Your touching message was very much appreciated by volunteers and staff attending the conference.

Again, thanks for taking time from your busy schedule to speak to us.

Yours sincerely,

David Dean
