Dear *Mike*:

Please accept my apology for my tardiness -- but better late than never.

Enclosed is a overview of the participants' comments for your review as well as the envelopes addressed to you.

As I mentioned to you in our last conversation, the support staff is planning a workshop in October, 1992, and would very much like you to be a part of it. I will talk to you soon regarding our plans.

Thanks again for the inspiring presentation. Your presentation has helped me survive through challenges this past couple of months.

Yours truly,

Margie
