

"A COMMUNITY OF BELIEVERS PUTTING WORLD MISSIONS FIRST"

To whom it may concern

"Thus shalt not" appeals to the head. "Once upon a time" appeals to the heart and the imagination. Michael Ballard has done a wonderful job of appealing to the heart and the emotions in his program for kids. I heartily recommend it to teachers and educators who are looking for tools to use with kids in schools and home settings. He has a delightful product that is easy to use and delightful to experience.

Sincerely,
