Dear Mr. Ballard:

On behalf of the Board of Directors, thank you for addressing our Annual Business Conference at Cleavelands House last month.

We received many favorable comments during and after the conference, indicating that the audience enthusiastically received the program. It was certainly a good opportunity for industry and government to get together.

Again, "thank you"! We appreciate the time you took from your busy schedule to help make this conference a success.

Yours sincerely,

  
Christopher J. Kyle  
President
