Dear Mr. Ballard

Please find enclosed the Speaker Evaluation Forms, as well as a CD-ROM of photographs from your May 7 visit to the Halton and Peel Professional Executive Network (H.A.P.P.E.N).

As you will see from the evaluation forms, your presentation "**Seven Skills and Strategies for Greater Resiliency in Your Search**" was well received by our members, and generated many positive comments. We also hope that the CD-ROM will not only be an appropriate souvenir of your visit, but will also be a useful and valuable tool in your business endeavours.

Once again, thank you for taking the time to speak to the H.A.P.P.E.N. group. It is only with the support of professionals like you that H.A.P.P.E.N members can make positive changes in their outlook and careers. We look forward to seeing you again soon, and wish you all the best in future.

Yours very truly,

Greg Brown
