Mr. Micheal Ballard  
R.R. # 1 Country Road 19  
Stirling Ontario  
K0K 3E0

Dear Micheal,

The Nursing Association of New Brunswick, Moncton Chapter wishes to thank you for your recent presentations on Humour, Stress and Change and Lessons Learned From Health Care Professionals. It was a great kick off for our Nurses' Week.

The evaluations from the workshop were very positive and emphasized how dynamic, enthusiastic, and funny you were while remaining deeply humane.

Several persons also approached me after the banquet to comment about the guest speaker. They liked the message and also the manner in which it was delivered. You have the ability to put people at ease and make them feel relaxed. That is a gift!

Thank you for sharing yourself and your techniques with us. It was a pleasure meeting you.

Sincerely,

Linda Varner RN, BScN, OCN  
Acting Assistant Director of Nursing
