Dear Michael:

This letter is to thank you for your presentation to our staff at our workshop last week in Gananoque.

Your energetic and humorous insights into dealing with change and stress were of benefit to all of us. The personal experiences you shared with us were of particular interest to me, and I found that it made your messages more believable to know that someone else had overcome significant stress and turned it into a positive factor.

On our evaluation sheets you were rated highly as "up and fun", and "excellent". Need I say more?

I hope we have the opportunity to use your services again.

Sincerely yours,

Simonne Ferguson
Regional Director
