Dear Michael:

On behalf of the Saskatoon Life Underwriters Association, I would like to take this opportunity to thank you for your recent visit to Saskatoon. "Stress for Success" was not only informative, but very entertaining. The members that attended were very pleased. I received numerous positive comments on the fact that over a short period of time, you could cover so many areas that we all could relate to. Continue to carry your message in helping to provide a less stressful work environment for the people that you touch.

If I have the opportunity to do so, I will be sure to attend another meeting that you would be speaking at. Best of luck with your future endeavors.

Sincerely,

Vincent S. Wieggers, CLU, CH.F.C.
President
Saskatoon Life Underwriters Association
